PROFILE

Google-certified digital marketing and e-commerce analyst with a background in psychology and five years of international customer-facing experience. I run digital presence audits, competitive benchmarks and metrics analysis to find where a brand's funnel breaks down. Every claim in this CV is backed by a published case study.

MARKETING EXPERIENCE & PROJECTS

Digital Marketing Analyst — Justina Shoes | *Leather footwear, Ramos Mejía, Buenos Aires · 2026*

- Funnel, conversion and ad-spend audit built on public information: mobile and desktop site, product pages, metadata, Instagram, TikTok and Pinterest. Diagnosis: the bottleneck sits in consideration and conversion, not reach.
- Point-by-point benchmark against 3 Argentine brands in the category, covering value proposition, product naming, price presentation, trust signals and social proof.
- Three prioritized opportunities, each with evidence, success metric and effort estimate, plus a proposed media mix reallocation (remarketing 40%, Shopping 35%, prospecting 25%).
- Content production and photo campaigns for the brand, which runs two active channels: B2B wholesale and online retail (Instagram 76.9K and 46.4K, TikTok, Tiendanube, email and paid ads).

Digital Marketing Analyst — Go Nonna | *Independent audit · Restaurant, New York · 2026*

- Independent digital presence audit built on public data: Google Business Profile, website, Instagram and Facebook.
- Benchmark against 5 direct competitors, with a prioritized organic action plan and a success metric for each item.

Digital Marketing Analyst — Bagatti | *Independent project, in progress · 2026*

- Analysis of paid ad campaigns and sales performance on Mercado Libre: metrics review, bottleneck diagnosis and actionable recommendations.

EDUCATION & CERTIFICATIONS

Google Digital Marketing & E-commerce Professional Certificate | 2026

Eight-course program: SEO/SEM, social media, email marketing, Google Analytics 4 and Google Ads, A/B testing, ROI and LTV, data visualization and stakeholder management.

Bachelor's Degree in Psychology — Universidad Internacional de Valencia (VIU) | *2nd year, in progress*

PROFESSIONAL EXPERIENCE

Server — Le Zie | *Manhattan, New York · Feb 2026 – Present*

- Attentive, efficient service in a fast-paced restaurant, handling multiple tables while maintaining accuracy and guest satisfaction.

Server — Go Nonna and Avenue Restobar | *Long Island City and Astoria, New York · Feb 2025 – Jun 2026*

- Coordination with kitchen and bar during high-demand shifts, and strong relationships built with regular guests.

Server — La Trattoria | *Miami Beach, Florida · 2024 – 2025*

- High-volume shift service, with menu recommendations and upselling.

Hospitality and customer service — Australia, Hawaii and Argentina | 2021 – 2024

- Restaurant service and customer advice in a school, office and art supplies store.
